Please attach to your Community Account application form.

## Additional signatories

# Community Account

In addition to the signatories already stated on your main Community Account application form, you have the option to add more. Please complete this form to add up to a further two signatories.

## Your Information

To comply with the law and to protect your organisation's money, we require verification of your organisation along with identification of up to four signatories and details of all shareholders, directors or beneficial owners holding more than 25% of shares in the organisation who are not signatories.

A list of acceptable documentation for individual signatories can be found on our **Your Personal Information leaflet**.

All documents must be originals or certified\* copies. Documents can be presented in person if you apply at one of our branches. To guard against postal theft, we cannot return any original documents sent to us by post.

\*If applying by post, valuable documents should be photocopied and certified by a regulated professional person or someone holding a position of responsibility (eg lawyer, banker, doctor, dentist, teacher, bank/ building society manager, minister of religion, JP, post/sub-post master, local authority official). The person certifying must sign and print date, name, position held, organisation name (or official stamp) and state "original seen" and where applicable "photo is a true likeness of the applicant".

## Having trouble providing the correct documents?

Please discuss with our staff. We will do what we can to help.
